2010 Spring Training Camp
Location: Bryan High School Gymnasium (Gym Shoes only)

Thank you for your interest in the 2010 Spring Training Camp. Our Spring Training Camp is designed to provide more individual instruction, covering the most critical fundamentals and skills in baseball. It is our goal to teach young players the understanding and development of proper skills at an early age, before their baseball season begins each year, so that they will carry those fundamentals into their season, into high school, and beyond. Our instructors are all proven coaches, former players beyond the high school level, and current players currently in the Bryan Baseball program at the high school level. If one is available, bring a bat to the Hitting clinic. Bring a glove to all other clinics.
